

The stock prices presented in this table represent the quoted market prices of the securities at the close of the days or periods listed.

The prices and other information contained in the table were provided from the following sources:

- NASDQ (National Association of Securities Dealers Automated Quotations system)
- NYSE (New York Stock Exchange)
- Other Security & Wire reporting services offered by third-party providers including printed source materials and internet sites
- Security and Exchange Commission Filings (SEC)
- Published Annual Reports of the Company (Excerpts from the Annual reports include footnote disclosures of the required quarterly price ranges, as well as the dates of all stock splits, dividends etc.)

Thomas Nelson, Inc., (the Company), provides this information as a service to its investors. The information is deemed to be accurate, but is not guaranteed as to its correctness, accuracy, reliability, or its use in determining an investor's basis of stock to be used in the calculation of any profit or loss incurred in the trading of the security. You should contact your tax advisor in your own situation.

Thomas Nelson, Inc., its current management, shareholders and Board of Directors makes no warranties or representations of this table's content, and disclaims all liabilities for losses or damages, monetary or otherwise that result from the use of the contents of this table, which is a compilation of historical data available from public sources.

You may also consult your local library or published reference sources such as Value-Line to support the stock history of the Company.

The stock prices presented in this table represent the quoted market prices of the securities at the close of the days or periods listed.

The prices and other information contained in the table were provided from the following sources:

- NASDQ (National Association of Securities Dealers Automated Quotations system)
- NYSE (New York Stock Exchange)
- Other Security & Wire reporting services offered by third-party providers including printed source materials and internet sites
- Security and Exchange Commission Filings (SEC)
- Published Annual Reports of the Company (Excerpts from the Annual reports include footnote disclosures of the required quarterly price ranges, as well as the dates of all stock splits, dividends etc.)

Thomas Nelson, Inc., (the Company), provides this information as a service to its investors. The information is deemed to be accurate, but is not guaranteed as to its correctness, accuracy, reliability, or its use in determining an investor's basis of stock to be used in the calculation of any profit or loss incurred in the trading of the security. You should contact your tax advisor in your own situation.

Thomas Nelson, Inc., its current management, shareholders and Board of Directors makes no warranties or representations of this table's content, and disclaims all liabilities for losses or damages, monetary or otherwise that result from the use of the contents of this table, which is a compilation of historical data available from public sources.

You may also consult your local library or published reference sources such as Value-Line to support the stock history of the Company.
